

EVERY PART STILL BOLTED ON IS A SALE YOU DIDN'T RING.

yardbrain finds the buyer · costs your yard \$0

■ THE PHONE ANSWERS FROM MEMORY

pickers search every car,
VIN-decoded, before they drive.

■ A SET LIST THAT ONLY SAYS YEAR/MAKE/ROW

every pullable part matched and
scored, nightly.

■ DRIVE-PASTS

subscribers get alerts the night
your sets match their wanted lists.

THE MATH, FROM YOUR SIDE OF THE COUNTER

YOUR REGISTER

EST

parts receipt **+\$34.50**

plus the gate fee
plus the rest of the cart

THE PICKER'S LEDGER

EST

yard receipt **-\$34.50**
ebay net **+\$176.62**

kept **\$142.12**
money kept, not money collected

his margin clears your register first.

YOUR YARD

\$0

no contract · no software
funded by picker subscriptions
(\$24.99-\$99.99/mo).

≈ **\$1,035/mo** · EST

if we send one receipt like this a day – before gate fees, before the rest of the cart.

- 1 check your listing – scan the QR, see what pickers see.
- 2 keep your set list public – that's everything we need.
- 3 give the counter card register space – we supply it, free.
